BEVCO®

Low Maintenance 11,000 Series from Bevco

These comfortable 11,000 Series chairs are exceptionally easy to clean and maintain. Tough reinforced plastic base, seat and back make cleanup a breeze. Remove the optional upholstered seat and back pads and wash the chair down. When the seat and/or back pads become badly soiled or damaged, simply replace them and retain your original investment in the chair.

All models feature durable construction, easy-to-use pneumatic seat height adjustment, 360 degree swivel and a sturdy five legged base with standard mushroom glides or optional hard floor or carpet casters.

BEVCO's reputation for outstanding value in seating products is backed by 50 years of manufacturing. Made in the U.S.A., our products carry BEVCO's superior guarantee. It's not prorated, applies to a 24 hour day, and covers defects in material and workmanship for a full 12 years!** Upholstered panels are warranted for 2 years.
