with optional casters

BEVCO®

7000D Series

BEVCO's new 7000D Series Polyurethane Seating is specifically designed for outstanding comfort and long lasting use in the toughest workplace environment. Built with extraordinary care, these durable chairs offer total body support with advanced ergonomic features that improve productivity and reduce worker fatigue. Our rugged self-skinned polyurethane seat and back resist stains and damage from punctures, grease, water, and chemicals. Ventilation ribs increase air circulation, comfort and ease of cleanup.

Each BEVCO 7000D Series chair comes standard with easy-to-use pneumatic height adjustment, large waterfall seat, fully adjustable contoured back and 360 degree swivel. Models 7001D, 7201D, 7301D and 7601D come with an articulating seat and back tilt control for maximum ergonomic benefit.

Models 7000D and 7001D feature a five star reinforced plastic base with mushroom glides.

Models 7200D, 7201D, 7600D, and 7601D come standard with a black five legged 16 gauge tubular steel base, welded chrome footring and rubber cushioned metal glides. Models 7300D, 7301D, 7500D and 7501D feature a wider five star base with an 18" diameter adjustable chrome footring.

BEVCO's reputation for outstanding value in workplace seating is backed by over 50 years of manufacturing. Made in the U.S.A., our products carry BEVCO's superior guarantee. It's not prorated, applies to a 24 hour day, and covers defects in material and workmanship for a full 12 years! **

Model 7502D
with separate levers for
seat and back lift

Important Standard Features

- Durable, contoured polyurethane seat and back with ventilated ribs for lasting comfort and support
- Easy-to-use pneumatic seat height adjustment with "lifetime" cylinder guarantee
- Sturdy five legged base in reinforced plastic or 16 gauge tubular steel
- Fully adjustable back with heavy duty back bracket
- Metal components have scratch resistant top grade baked enamel finish
