V4 Series - Upholstered Seating

Bevco produces its VALUE-LINE SEATING series of products with the same care that all Bevco products receive. All VALUE-LINE products have been tested by an independent laboratory to assure they meet applicable ANSI/BIFMA X5.1 standards for quality, durability and safety.

Important Standard Features – All Models

- Sturdy five legged base
- Easy-to-use pneumatic seat height adjustment
- Ergonomic waterfall seat for improved leg circulation
- Contoured back with durable scuff resistant back pan
- Tilt back with adjustable tension control
- #2 philips screwdriver required for assembly

Upholstery

- BIFMA Class 1 rated Olefin fabric resists fading, pilling, punctures and moisture
- Meets flame retardant standards of California Technical Bulletin 117

Additional Options

- Ergonomic height adjustable armrests with polyurethane arm pads.
